

## Using 'easyfundraising' to raise funds for Bedford Choral Society

Money can be raised for the Choral Society through "Easy fundraising". Numerous on-line retailers are now participating in this scheme, and once registered it only takes seconds longer to make your on-line purchase, and benefit our funds. For example, if you want to order (say) a CD from Amazon or a washing machine from John Lewis, you log in first to 'easyfundraising' and then follow the link to Amazon or JL. The retailer then donates a percentage of your purchase price to BCS. It costs you nothing.

Just visit [www.easyfundraising.org.uk](http://www.easyfundraising.org.uk) to register
